TAXES:	In 2005, the plant paid over \$8.4 million in property taxes.
PURCHASES:	Annual purchases of goods and services from merchants and suppliers totaled \$304.4 million in 2005.
PRODUCTION:	Nearly 8.5 billion pounds of petrochemical products are manufactured annually (see principal plant products on next page).
GROWTH:	Over two-year period, from 2004 to June 2006, the plant has spent an average of \$34M a year on capital upgrades.
PRODUCTION FEEDSTOCKS:	Refinery Gas Oil Refinery Cat Gas Ethane & Propane Higher Olefins Powerformate

SPECIFIC PLANT PRODUCTS AND THEIR END USES:

Methyl Ethyl Ketone	Paint, coatings, adhesives solvent
Secondary Butyl Alcohol	Varnish and dewaxing solvent coatings, solvent
Diisopropyl Ether	Fuel additives, extraction solvents
Isopropyl Alcohol	Coatings, rubbing alcohol, electronics, acetone manufacturing
Ethylene/Propylene	Plastics, industrial chemicals, synthetic rubber
Vistalon® Rubber	Auto hose/seals, lube oil viscosity modifier, roofing sheets, electrical insulation
Butadiene	Synthetic rubber
Exxon® Chlorobutyl	Tubeless tires, pharmaceutical goods
Exxon® Bromobutyl	Tubeless tires
Isoprene	Tape, diapers, packaging adhesives
Escorez®	Rubber compounds, pipe wraps, road markings
Cyclics	High energy fuels, resin former, octane improver
Heart-cut Distillate	Resin formers
Benzene	Styrofoam products, nylon
Phthalic Anhydride	Paints, fiberglass, plasticizer
Jayflex® Plasticizer/Phthalates	Film/sheeting, wire/cable, flooring, extrusions, injection moldings
Exxal® Alcohol	Plasticizers, fuel additives, detergents, adhesives
Neo Acids	Herbicides, paint driers, initiators
Olefins	Industrial detergents, lube oil additives, emulsifiers

PRODUCT SHIPMENT:

Materials produced at the plant are shipped by pipeline, railroad cars, tank trucks, tankers, barges and trucks.

SAFETY RECORD:

During 2005, the Chemical Plant received three National Petrochemical and Refiners Association awards for meritorius safety performance. As of August 31, 2006, employees have achieved record safety performance with an OSHA recordable injury rate of 0.15.
